40 Protest Plan To Discontinue Bus Services In Area

Approximately 40 interested persons attended the hearing October 8 at Donner Lake Lodge called by the California Public Utilities Commission to hear arguments pro and con on the application of Greyhound Lines to discontinue service at Soda Springs and Donner Lake.

A decision will not be rendered by the commission until about the end of this month. The company was represented by an attorney. Soda Springs and Donner Summit were represneted by Fran Couilliard who was ably backed by Bill Sheehan, Virgil Bradsher, Norman Sayler, Toni Unis, George Todoroff nad Keith Lummis.

Spokesmen for Donner Lake was Carson White. Also testifying with scoring points were Ivan Tofft, Jack Marquette, Dick Swanson and Dan Horman, proving hardship for the community if service is dropped.

Greyhound informed the group that a bench would be installed at the east end of the lake for a passenger pickup. Tofft pointed out that persons would freeze if left standing in the snow waiting for a bus. White advised the examiner that Mrs. Ann Nisbet would offer Donner Lake Lodge for a bus station. The bus company complained that the grade of the new freeway access road was too steep and dangerous for buses to use. Summit people are seeking a bus stop at Soda Springs.

A lengthy discussion took place for several hours. White offered a compromise, calling for only two morning and two evening buses each day. The commission advised that testimony will be weighed before judgment is made. Service to general passengers versus service to communities bypassed by the new freeway will be considered.

The Placer County Board of Supervisors unanimously agreed with Soda Springs and Donner Lake in a formal protest. State Senator Paul J. Lunardi is also opposing the discontinuance of service in tee resort area.

State Senator Paul J. Lunardi was visiting in the area yesterday, making further inquiries regarding the recent application by the Greyhound Lines to discontinue service in the Soda Springs, Donner Lake area upon completion of the new freeway.

Lunardi is communicating with the California Public Utilities Commission, opposing discontinuance of service to these important recreation centers.

Fisher Files Suit Against Officials

Through his attorneys, Howard Fisher, fixed base operator at the Truckee-Tahoe Airport, last week filed a suit in the Placer County Superior Court against the airport district, its directors, manager, a past director and ten Does, seeking $491,000 damages and asking the court to dissolve his contract with the district.

He also asked the court to prevent the board from ousting him.

Named in the action are John Houlgate, T. L. James, Zeph Rose. Lauren Russell, Alan M. Lewis, all members of the board, Andrew Creglow, the manager and Fred Schultz, a former board member.

Fisher charges that in August he was notified by the directors that he was in default of his contract because of his failure to construct a shop at the field. Because of the default notice, Fisher claims he has been unable to finance the building.

Board members deny the allegations in the suit and said they had never been contacted by Fisher for a dissolution of the contract.

The plaintiff asks $16,000 special damages, $25,000 general damages and $450,000 exemplary damages.

DONNER AUXILIARY WILL MEET TONIGHT

The Ladies Auxiliary of the Donner Lake Fire Department will hold the regular monthly dinner meeting at the Donner Lake Lodge tonight, October 15, at 7:30 p. m. President Charlotte Harris urges everyone to attend this meeting when final plans for the Harvest Moon dance will be made. Last Monday evening Gertrude Gilson was hostess for the members of the auxiliary board of directors, who met for the purpose of contacting all property owners of the Donner Lake area.

PAINTERS IN ALASKA

Mr. and Mrs. Howard Painter called from his new navy base in Alaska to tell Mr. and Mrs. Carl Painter of her safe arrival by jet last week. Howard was recently transferred from Florida and is very pleased with his new assignment in the north.

Forest Crews Are Kept Busy Without Fires On District

Aside from fire fighting and constant vigilance to prevent fires, the men at the Truckee station of the Tahoe National Forest are engaged in numerous other activities for the improvement of the forest

This year, for instance, 15 million board feet of timber are being selected and tagged for sale, a project involving an expenditure of $11,000. At the same time, the budget for the local district calls for an outlay of $23,000 for planting between 200 and 250 acres of the old Donner Ridge burn. This is considerably less than the 900 acres planted last year.

An additional $2,000 was set aside for timber stand improvement on an area in the Jackass burn where brush must be cut away to allow the trees, planted there some ten years ago and now three and four feet tall, to develop.

An appropriation of $8,000 was made for maintaining and policing the campgrounds, keeping them up to standard. One of the major tasks under this phase of the work is policing the Truckee river between Truckee and Tahoe City.

Still another project is that of maintaining the trails throughout the district for which $2,000 was set aside.

In all these projects, the crews at the station as well as the inmates at Hobart Mills are kept constantly busy.

While fires are a major concern during the dry summer months, the other work is of equal importance in keeping the forests intact and desirable for the thousands who visit them.

Currently work is progressing on facilities at winter sport resorts, where additional lifts, parking areas and other necessities will bring larger crowds and provide better facilities.

Jim Drummond Is Honored By Test

One senior at the high school has been honored for his high performance on the National Merit Scholarship Qualifying Test (NMSQT) given last spring. Each student who is endorsed by his school receives a formal letter of commendation signed by his principal and the president of the National Merit Scholarship Corporation.

James Brehler, the school's vice-principal, has announced that the commended student is Jim Drummond.

John M. Stalnaker, president of the National Merit Scholarship Corporation, said:

"Letters of commendation are being awarded to 38,000 students throughout the country in recognition of their outstanding performance on the qualifying test. We wish to call attention in this way to their high academic achievement.

"Although they did not reach the status of semifinalists in the current merit program, they are very capable students. The semifinalists and commercial students together constitute about two per cent of all high school seniors. This certainly signifies noteworthy accomplishment by all these bright young people."

MRS. LONGO SPEAKS TO TINKER BELLES

Mrs. Francis Longo spoke at the Tuesday meeting of the Tinker Belles garden club, at the home of Mr. and Mrs. J. P. Vind.

The combining of ornamental butterflies with materials was discussed and plans were made for a trip to Nevada City October 27 to view the brilliant fall coloring.

FORMER TEACHER'S DAUGHTER FEATURED

A large picture of Mary, two year old daughter of Air Force S/Sgt. Thomas Coughlin and Mrs. Coughlin dominated the front page of Monday's issue of a Sacramento paper, showing the baby holding her pet duck close while preparing to make the first contribution to Sacramento County's Gibson Ranch Park in North Highlands.

The little girl's mother is a former teacher at Donner Summit and Sierra Sun correspondent, nee Donna Power.

Football Game To Be Highlight Of Homecoming Fete

The Tahoe Truckee Wolverines will play their first home game here Saturday when they meet the Wheatland eleven of the Pioneer League.

Saturday will be Homecoming day for the high school and the game will be a highlight of the celebration.

The JV game will start at noon, the varsity contest to follow at 2 p. m. A big turnout of fans is expected as the local boys give battle to the tough Wheatland crew.

The Wolverines won their first Pioneer League contest last Friday at Live Oak when they defeated the Lions 26 to 0 after the Junior Varsity won their game by a 27 to 7 score against the hometowners.

Steve Felte started the scoring parade four plays into the game when he recovered a fumble on an attempted punt by Live Oak in the end zone.

From there Chuck Spillner ran for 12 yards, Greg Moore for seven yards and John Besio caught a 30 yard pass from Dave Douglas in the other scoring plays.

Constitution Panel To Offer Program

In observance of Constitution Week, the American History class at the Tahoe Truckee High School will present a 45 minute panel discussion on the Constitution of the United States at 2:25 p. m., Wednesday, October 21 and the public is urged to attend.

The program is being presented at the request of the local Masonic Lodge in line with the Masonic policy to encourage greater public familiarity and understanding of this great document. Harold Drummond, high school principal, has been designated chairman of the Constitution Week observance by Zeph Rose, master of Truckee Lodge of Masons.

Jeanne Van Wetter To Head Auxiliary

Mrs. Penny Dion, newly appointed head nurse of the hospital spoke on the various services the auxiliary can perform for a hospital. The area chairmen for the coming year were introduced by Mrs. Van Wetter including: Norma Russell, Mary Ann Evans, Jean Holley and Marge Fellows.

Members of the organization who were presented with 100 hour pins for volunteering their time for service at the hospital during the past year were: Carol Jones, Joan Lambert, Maxine Paulsen, Frances Payton, Majel Rose, Ethel Shaver, Patsy Tonini, Kathy Steuven, Dorothy Leamon.

A past president's pin was given to Lois Wall and Majel Rose was awarded a pin in appreciation for her work as 1963 chairman of the Fol de Rol.

TAHOE WOMEN VOTE TO BENEFIT COMMONS

TAHOE CITY — The rummage sale by the Tahoe City Women's Club was a success with the left over clothing being presented to the Nixon Indian station.

The October meeting was held at Tahoe Inn where a Sara Coventry jewelry party was enjoyed. At the meeting it was voted to donate ten barbecue pits to the Tahoe Commons and repair the stairway there.

Recovering—

Paul Doyle of the D&D Agency is recuperating after an operation last week at the Tahoe Forest Hospital.

SUNBEAMS

By WALTER M. BARRETT

The opening of Interstate 80 over Donner Summit next month will mark one of the greatest economic boons this area has every enjoyed. Elimination of the narrow, twisting, hazardous, two-lane road over the summit will provide easy access to the greatest recreation area in the world, where both summer and winter activities attract literally thousands of people daily. It has been a long, hard struggle and has involved efforts of many local people, millions of dollars and endless work, but surely there is no question but that the end justified the means. Historically, it has taken 120 years to bring the old emigrant trail up to the highest standard in modern transportation facility. During the past few years, the summit road has stood as a formidible barrier, often clogged tight as strings of cars attempted to travel westward. This will soon be a forgotten nightmare as the four wide lanes, occupying a gradual, smooth grade provide an adequate facility for travelers into this lush recreational community. We may anticipate that the more than half a million cars which currently travel old highway 40 each month will be more than doubled within a short time but now we have a highway that will handle them all safely and with dispatch. It is a far cry from the old days, well remembered by those who pioneered the freeway and opens up a new era for our region. Our thanks goes to those responsible.

Women Golfers At Lake Name Officers

TAHOE CITY—The Tahoe City Women's Golf Club met last Tuesday at the Highland home of Mrs. Wilma Korich to elect officers for the coming year.

Mrs. Leah Hopkins was selected as president; Mrs. Beulah Carnell, vice president; Mrs. Barbara Spitsen, treasurer; Mrs. Marilyn Fugazi, secretary.

Mrs. Duane Perata and Mrs. Joanne Lambert are the tournament directors; Mrs. June Grinstead and Mrs. Wilma Korich, handicap chairmen.

The club plans to meet once a month during the winter and to play different courses at least once a month, weather permitting. On October 21 it is planned to play two days at Colusa. Anyone wishing to join the club may contact Mrs. Hopkins.

NEW CHURCH TO BE CHARTERED AT LAKE

INCLINE VILLAGE—Six key executives an dministers of California and Nevada Presbyterian Churches will take part in constituting and chartering the recently organized Incline Village Community Presbyterian Church on October 18, 1964, at 2:30 in the afternoon.

Third Meeting For Tahoe Plan To Be On November 4th

AUBURN—A third meeting of the Placer County Planning Commission on the plan for developing the Lake Tahoe basin as proposed by the Lake Tahoe Regional Planning Commission, will be held November 4 at 10 a. m. in the community center at Tahoe City.

At the second meeting held last week in Auburn, it was reported that the property owners of the area generally supported the plan, which must be agreed to by Placer County as well as four other California and Nevada counties.

Suggested changes in the plan will be given full consideration before final action is taken, Justin F. Barber, Placer planning director, told the meeting.

The plan, generally, is to protect the esthetic area through careful zoning.

Initial Meeting Of PTA Is Busy Affair

Mrs. Eugene Gini presided Monday evening at the opening meeting of the fall season of the Truckee Elementary P. T. A. with a varied program of interest to former and new members.

Mrs. Ben King announced the organization will hold a dinner, November 13 in the Crystal Bay Club to raise funds to supply the young school musicians with greatly needed instruments.

Mrs. Robert Sutton, program chairman introduced Mesdames Stan Jessen, Howard Fish, Schuyler Miles, Paul Doyle, Sherman Reams who held a panel discussion on propositions to be voted on in November.

Mrs. Ruth Roberson introduced the teachers and Miss Paula Conant had the largest representation of parents in the rooms count. Mr. John Stevers was presented with an award, followed by the serving of refreshments by Mesdames Mary Irwin, Vicki Watkins, Jane Carlson.

Membership chairman, Mrs. Bud Denny announced that dues to the organization are now payable and envelopes for the purpose will be sent to the homes. Mrs. Joe Money reported on the successful swim program this summer when 132 children completed the course with 30 women having assisted in the training.

PLACER COUNTY AIDS DEDICATION OF ROAD

AUBURN—Edward Brotherhood, manager of the Placer County Chamber of Commerce, has received approval for $1,482 from the county to assist in financing the dedication of Interstate 80 on Donner Summit November 1.

The manager appealed to the board of Supervisors for the funds, pointing out the valuable publicity which his county will receive from the opening of the final sections of the highway.

Brotherhood said the Placer County chamber and the Truckee Donner chamber are co-sponsors of the ceremonies and that invitations are going out to high federal, state and local officials, including President Lyndon Johnson, to attend.

COUNTY BENEFITS AS TAX IS REFUNDED

SACRAMENTO — (CNS) — Nevada County received $28,271 as its share of highway user taxes apportioned during September, State Controller Alan Cranston reported today.

The taxes which produced the apportionment included $39,485,361 from the seven-cent gasoline tax; $1,823,224 from diesel fuel tax; and $1,827,292 by transfer from the motor vehicle transportation tax fund.

At Walnut Creek—

Mr. and Mrs. H. E. Brooks who moved from Kings Beach to Auburn are now living at Walnut Creek, Brooks said during a visit here last week.

Last Rites Today For E. J. Stokes, Tahoe Resident

Funeral service will be held at the Truckee Colonial Mortuary this afternoon at 2 o'clock for Elmer Julien Stokes, 75, prominent resident of Kings Beach for the past 19 years who died at his home Tuesday. Private cremation service will follow.

Stokes, a native of Sacramento, was born March 30, 1889.

He is survived by his wife, Helen of Kings Beach; two daughters, Mrs. Margaret Soles of Sacramento and Mrs. Joanne Apichino of Tahoe Valley; a sister, Mrs. Phyllis Norville of Oakland; four grand children and two great grand children.

Stokes was a past master of Truckee Lodge of Masons, past master of the Lincoln Gold Hill Masonic Lodge, a member of Delta Chapter, R. A. M., at Auburn, a member of Ben Ali Temple of the Shrine at Sacramento and the Knights Templar. For many years he had been secretary of the Rotary Club of North Lake Tahoe. He was a veteran of World War I.

For the past several years, the deceased had been employed as steward at the Crystal Bay Club

Kin Of Flier Dies In Plane Accident

Howard Hughes, instructor for Howard Fisher's Aircraft Company at the Truckee-Tahoe Airport, has returned after experiencing a most tragic accident in a small town in Washington last week.

Hughes, who plans to leave this weekend for Florida to instruct in helicopter flying, with his wife and baby had gone to Washington to bid farewell to relatives. When he arrived at his destination by airplane, the field was dark and relatives and friends gathered at the field to shine headlights from cars over the strip to permit landing.

The local man's grandfather, well along in years and hard of hearing, walked out onto the field to greet his grandson and was struck by the plane, dieing instantly.

FIVE BABIES ARRIVE AT LOCAL HOSPITAL

Four girls and one boy were nursery occupants of Tahoe Forest Hospital during the first week in October. John Jeffrey were the selected names for the son of Mr. and Mrs. Frank Nash of Donner Lake. John's first weight on October 5, was 6 pounds, one ounce.

Pioneer Highway Replaced By New, Modern Freeway

Dedication of the new four-lane freeway across Donner Summit on November 1, will mark the fourth major step in a series of improvements on the route which began back 120 years ago in 1844.

First there was the emigrant road, used by the Elisa Stevens Party in 1844-45. This was followed by the Dutch Flat-Donner Lake road, "constructed" by the developers of the Central Pacific Railroad. Then came the cars, and the two-lane highway was started in 1909.

Following many changes and improvements, the ultimate was reached in 1923 when a new grade was established. This sufficed until 1960 when the new freeway was underway, culminating 120 years of progress.

Following the passage of the Stevens Party in 1844-45, during which not a person was lost despite the winter blizzards and cold, the Ide Party, led by Caleb Greenwood, who also piloted the Stevens Party, crossed the summit in 1845.

These successful crossings inspired the great migration of 1846 when among others, the ill-fated Donner Party, for which the pass was named, was halted by an early winter and many perished in the camps established at Alder Creek and at the east end of Donner Lake. This tragedy is well known and many historians have told the sad story from various angles.

A monument to the Donner Party was dedicated in 1918 with honor guests, Governor W. D. Stephens of California and Governor Emmett D. Boyle of Nevada, attending along with survivors of

Ski Patrol Meeting Is Set For Tuesday

The first meeting for the season of the Tahoe City Ski Patrol will be held at the Tahoe Lake school Tuesday, October 20 at 7:30 p. m. and all interested people, whether members of the patrol or not, are urged to attend.

Fred Hodder, head patrolman of the local unit, said plans for the coming winter ski season will be formulated and Red Cross requirements to update cards for the patrolmen will be discussed. It is also planned to form a junior patrol.

Following the meeting, refreshments will be served and volley ball played in the gymnasium.

The local patrol unit, which is affiliated with the National Ski Patrol, consists of nearly a score of members all qualified for the important functions which they perform. Rigid training, full knowledge of first aid methods and a willingness to work under all conditions without compensation, are among the requirements of a ski patrolman.

The importance of the organization is exemplified in the fact that during an average winter the Tahoe City Patrol brings between 500 and 600 skiers off the slopes with illness or injuries ranging from fits to broken backs.

Hodder said that the local unit patrols all ski areas from Donner Summit to Homewood.

An effort will be made, he said, to tiein with the Sierra Rescue Unit for emergencies in which the two organizations will cooperate.

SP AGENT LEAVES FOR ROSEVILLE POSITION

Charles Bunt, agent for the Southern Pacific Company here for several years, has transferred to Roseville where he is a student train dispatcher. He is being replaced here by Cecil Sinn of Colfax, who will take over the agent post this week.

Bunt, commander of the Truckee Post of the American Legion, has been a resident here since 1951. He and his family, consisting of his wife and five children will be missed in the community.

SERVICE STATION AT TAHOE DESTROYED

KINGS BEACH—A service station, housed in an old frame building at Crystal Bay was completely destroyed by fire last Wednesday night with an estimated loss of $5,000.

Fire fighting equipment from Nevada and California joined in combating the blaze. The entire structure was ablaze when the firemen and equipment arrived, according to Assistant Fire Chief Curtis Hart of the North Tahoe Fire Protection District. Hart said a carelessly placed cigarette was the probable cause of the fire.

LAKE LEVEL

The level of Lake Tahoe at Tahoe City this week was 6225.19 feet, with 150 cubic feet per second being released. The highest degrees on October 7 and low for the period was October 11, 36 degrees.

Although they were outclassed in most of the events of the day at their annual "Games Day" with the San Francisco Bachelors, the members of the Squaw Valley Sporting Club put all their weight behind the tug-of-war event and emerged victorious in the one feat. Natural skill gave them an edge in the egg throwing event but the Squaw Valley group lost contests of baseball, volleyball, sack races and three-legged races by a wide margin to the physically fit San Francisco group at the contest which was held at Squaw Valley last Saturday. Starring for the local group was Barbara Skerry.

The day of fun was followed by an awards dinner which was held at the Bear Pen and the gold spittoon perpetual trophy remained in the custody of the Bachelors.

Art and Dotty Todd Close Act Sunday

CRYSTAL BAY — Art and Dotty Todd, one of the best known vocal and instrumental teams on radio and television, close a two week stand Sunday on the stage of the Topaz Room, theater-restaurant of North Lake Tahoe's year-round resort-hotel casino, Nevada Lodge.

Renowned for their recording of "Chanson D'Amour", which sold two million copies, the talented couple have appeared on several occasions on the Ed Sullivan show, the Perry Como show, Steve Allen show and with Arthur Godfrey.

With Art on guitar and banjo, Dotty on piano and backed by bass and drums, the group projects a warm, ingratiating and delightful catalog of the old favorite songs.

They have an instinctive knack for choosing numbers that match the temper of the audience. Requests are not only welcomed, but solicited often with the audience joining in the happy song .

The Mid-Winter Exposition held in San Francisco in 1893 was promoted in an effort to facilitate a business revival from a nationwide depression.

HOSPITAL ELECTION

No doctor who is an active member of a medical staff of a public hospital should be permitted to serve as a director of that hospital.

If staff doctors are allowed to serve on the board of directors, soon there could be an all-doctor board with no administrative body of impartial citizens to govern the medical staff.

An objective board is necessary to prevent medical monopoly and to protect the taxpayer against possible exploitation of public funds.

Just as a school teacher should not serve on a school board, doctors should not serve on the hospital board.

This is the opinion of the Citizens Committee for Public Hospital Improvement,

Centennial year in Nevada has been observed with many celebrations. However, the Holmes family also celebrates their centennial year in Placer County and California in 1964. It was in October, 1864, that John and Clarissa Holmes and their three children arrived in California after four months and fourteen days via oxen team from Iowa.

While homesteading a ranch in Salior's Ravine, he did freighting from Sacramento to Virginia City, mined, helped erect the Mt. Vernon school of which he was a trustee, and had eleven children. The tenth child, Emery, was the father of Bethel and her sister, Ceta Hooper.

Robert Holmes, Vernon Holmes, Doris Holmes, Emery and Katharine Holmes are all on the old ranch. The Holmeses plan a celebration at Auburn in the near future of their hundred years in California.

* * *

Speaking of centennials, Noel Hulbert of Kings Beach had one in 1961, when the Hulberts observed their location in California. The Hulberts crossed the plains to Sacramento before settling near Mt. Vernon in Placer County. Noel's great-grandfather, Joseph, crossed the plains with his grandfather, Edgar. It was here that Noel's father, Drummond, was born and where Noel grew up. So some of the Hulberts and Holmeses have been neighbors for many a year.

* * *

Nothing slow about Bill McDonald of Kings Beach! Enplaned to San Francisco, bought a new T-Bird, and back home in 24 hours. That's what he thinks about the North Shore—can't leave it.

* * *

Frank and Fern James have returned to their Inglewood home after spending the summer at Tahoe Vista.

* * *

Leaving for Palm Springs and the winter after closing their summer business at Kings Beach are the Mike Plevel family.

* * *

Back to Petaluma for Katharine Roberts and children after spending the summer at Kings Beach.

* * *

Joan McDonald, daughter of Bill and Alice McDonald of Kings Beach, is attending boarding school at Mt. St. Mary's Academy in Grass Valley. Also attending school with Joan is Debbie Howe of Truckee. Parents take turns picking the girls up on Friday night and returning them on Sunday evening.

* * *

Helen and Steve Rioli have returned to Sacramento for the winter after spending the summer at Kings Beach.

* * *

George and Dean Phillips of Reno visited Grace Curtis at Tahoe Vista last weekend.

* * *

The Charles Boothbys have purchased the Agate Bay home of Larry and Lynn Sevinson.

* * *

Duncan "Buzz" Davis of Agate Bay attended the Contrary Opinion Forum at Stranton, Vermont, this past week.

* * *

Harold and Florence Murphy have returned to their Palm Springs home after spending the summer at Crystal Bay.

* * *

Mel and Alma Christensen of Grass Valley were Tahoe Vista callers on Friday. The Christensens were former residents of the North Shore. Betty Christensen is now a student at Sierra College, having attended the local schoools until they moved four years ago.

* * *

Harry and Ceta Hooper and sons, Charles and Jon, came up from their Reno winter residence to spend the weekend at their summer home in Kings Beach. Harry went for several days navy duty to Florida and back to Denver to join the elk hunters for his usual fall trip.

* * *

October continues to be gorgeous weather-wise and Sunday was no exceptiion. Therefore it made a perfect time for the cocktail and barbeque at the Sierra Tahoe at Incline Village on the North Shore.

Greeting guests was Robert E. Lee who was the perfect host, the food delicious and the setting delightful. Jim McCourry with his yachting cap was in his element taking the guests out in his boat.

Highlight of our day was the meeting of old friends from Piedmont and Diablo. The Griffins from Piedmond were newer acquaintances but since he is the brother of a long time friend, Dorothy Ball, who lives in Alamo with husband, Gordon, we had much to discuss. Diablo friends are of long standing and were also guests at the Sierra Tahoe, George and Emily Pacini. Couldn't imagine George not deer hunting but he was certainly enjoying Lake Tahot.

A tour of the Chataux the golf course and to the Dingwall Pet Hospital and a ride around Incline, made for a full day.

* * *

Women's Club of North Tahoe met at the North Shore Club for luncheon on Monday with president Inez Jordan calling the meeting to order. Present at the meeting were Dorothia Whitley, Louise Walter, Eleanor Egan, Virginia Engelhard, Ardith Burrell, Bern May, Pearl Kientz, Mildred Mathias, Pearl Draney, Alma Peterson, Ruth Mizner, Eileen Wilen, Letha Newlun, Mabel Coulter and guests, Winona Hall, Barbara Streeper, Lee Robinson, Velva Herman, Mary Phippeny, Mildred Ricks, Minna Connelly, Dorothy Gilmore Lael Margrave.

Miss Phippeny, librarian at the Kings Beach County library, spoke to the club about the facilities of the new library located in Carpenters' Hall. She also entertained those present with stories of her experiences in Africa where she spent many years with the U. S. government as librarian at Nai-

C. W. Vernon Is Honored For Long Service At Tahoe

C. W. Vernon who came first to Lake Tahoe in 1909, was an early leader in the formation of the Tahoe City Public Utility District was signally honored at a party Sunday afternoon given in the Tahoe City fire department building, when friends gathered from far and near to wish him well on his November 1 retirement from continuous active participation in the growing entity.

T. C. Chamberlain and Paul Chamberlain of Auburn were present with their combined oratory, as masters of ceremony.

Vernon realized that when the Tahoe Tavern company sold the Tahoe City part of its water system in 1939, a need had to be met and he, with members of the Bittencourt Tract residents formed the present district. He became the first president-manager of the district in January, 1940, when new water mains were installed in the fall, in accordance with the recommendations of the board of fire underwriters of the Pacific and in 1942 Vernon called another meeting of residents to form the local fire protection district. Both districts have proved to be foresighted and valuable assets in the growing community.

Vernon's early career was a musical one, arriving at Lake Tahoe to play in the band at Tahoe Tavern, working as a bellman during the daytime to augment his income. After two years of this, he left to return in 1915 as a full time member of the Tavern orchestra that made sweet music at the pier.

Seeing the potentiality of the area, Vernon worked for the late Matt Green who was building the John Drumm home near Meeks Bay and until 1931 he was employed by C. W. Atherton, then stared his own business.

In the 1940s he became the justice of the peace, following the death of George Bliss.

The lake has been the home locale for Mr. and Mrs. Vernon who spent their honeymoon rowing around Tahoe to its many beauty spots. During the early years, Vernon was a trapper in the canyons above Meeks Bay. For some time he was the only photographer in the area, combining that occupation with their gift shop. He was on the charter staff to form the Tahoe Ski Club and in the middle 1940's he maintained the first chamber of commerce office on the present Nyquist building location.

Mr. and Mrs. Vernon have enjoyed a long and busy life in local civic affairs and progress and plan to continue their activities as much as possible after his retirement, with the sincere good wishes of their many friends in the region.

Our Annual Trophy-Award dinner will be held October 24 at Trader Dick's in Sparks, Nevada, dinner starts at 8 p. m. We need a minimum of 60 people, so get your tickets! It will only cost the members $2 apiece. Guests are welcome to attend, a little more for them. Give your reservations to Vina Clepper for your guests at Loynds Drug Store.

We will also install our new officers for the coming year. Le's have a wonderful turnout and start the year right.

I'm in the middle of moving from Gateway to Donner Lake so am cutting this short. See you at the dinner.

In California... at a picnic, beer is a natural

When you're relaxing at your favorite outdoor beauty spot with friends or family, and your thirst's whetted by fresh air and exercise—that's the ideal time for a cool, refreshing glass of beer. In fact, you can name your recreation—swimming, hiking, or just watching TV—and chances are nothing in the world fits it quite as well as beer.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In California...beer goes with fun, with relaxation

Why Pay Twice?

It would cost Californians over $300,000,000 in additional social security taxes for the proposed federal "medicare" plan—*where medical care programs are already provided for those over 65*

The physicians of California consistently have maintained that adequate medical care should be available to all people of this State, regardless of race, creed, color or financial status.

For those over age 65 in California, health care is provided in many ways. There are medical insurance programs which can be bought independently at reasonable cost. Other private and public programs are available where extensive medical costs would be a hardship.

The recent Kerr-Mills law, for example, enables California to provide broad benefits to those over 65 who might have difficulty in meeting the expenses of prolonged illness. With its full application in this State, as urged by California physicians, the Kerr-Mills law would be even more effective in covering physician, hospital, nursing home, drug and dental needs.

No better care for the elderly will be provided by taking an additional $300,000,000 in "medicare" social security taxes out of your pockets, when health care programs are presently available.

One never knows what one will read in the papers, and we had a lot of fun with Randy Randolph over his recent interview in the Chronicle. In case you missed it, it was an article in Tuesday's Chronicle, Monique's Daily Date, "The Innocent Swinger at Work" by Monique Benoit.

Many of the residents on the North Shore are well acquainted with Randy and impressed with his business abilities.

While in San Francisco last week, we stopped at the office of Nevada Fun Tours, saw Randy and genial Bill McGarry.

Visited cousin, Sheral Dependener in San Francisco, where the weather left nothing to be desired. Well, it was as good as Lake Tahoe. Sheral's daughter is a top model at I. Magnin's, Lee Ann (Holmes) Pearson, and it was intesting to catch up on the world of fashion.

Lunched at Enrico's with longtime friend, Emily Newman, who is also a top model in San Francisco.

Returned by United—a beautiful trip with the perfect weather.

Visiting Lake Tahoe recently was Mr. and Mrs. Horace Page of Oakland, Was wonderful to learn that he has won several awards for his paintings, one at Jack London Square exhibit in Oakland, and has pictures hanging at Crown Zellerbach Building in San Francisco and the De Young Museum. He recently did a one man show in San Jose which had 32 of his pictures on exhibit. Needless to say he did a lot of sketching while at Lake Tahoe and will soon have pictures to exhibit which will interest residents.

BONDS EXPENSIVE

SACRAMENTO — (CNS) — Legislative Analyst A. Allen Post has reported that the three bond issues on the November 3 general election ballot will have a total cost to the taxpayers of about $1,199,400,000. The three bond issues come to an actual total of only $790 million. However, Post is required to prepare information on just how much the bonds will cost in principal and interest charges.

Three U.S. Presidents:

cleared the tracks nationally for railroad peace—Let's complete the job in California!

PROPOSITION 17 makes it possible for California to put into effect the national transportation settlements—worked out by Congress and Presidents Eisenhower, Kennedy and Johnson—which eliminate wasteful featherbedding in the railroad industry under terms that insure maximum job protection, yet retain two men in the cab of all trains.

These settlements are now in effect in most states—but not in California because of a conflicting "horse and buggy days" law which Proposition 17 repeals.

Bad Checks Provide Trouble In County

Bad checks are plaguing Nevada County in greatly increased numbers according to District Attorney Harold A. Berliner. Eighty-five bad checks have been taken to his office for action since August 1, more than twice as many as in any similar period.

While restitution has been secured fairly promptly on the majority of the checks, the problem keeps increasing, so from now on a new stricter policy will be in effect, Berliner said. While every effort will be made to secure restitution for the victims there will be an increasing number of prosecutions, most especially against persons passing more than one bad check, even if amounts are small.

At least a dozen misdemeanor complaints and several felony complaints have been filed this week in an attempt to control the problem and demonstrate the fact that passing bad checks with intent to defraud is criminal and will be prosecuted as crime.

Anyone who has been defrauded should take the checks promtly to the district attorney's office, the sheriff's office or their police station. Any of these offices will be glad to answer inquiries concerning doubtful checks.

New Freeway

(Continued from Page 1)

the party. A beautiful museum, state park and public camp ground now mark the locale of this historic tragedy of 1846-47.

When the Central Pacific railroad was started in 1863, it was determined to construct a road for hauling materials and the old Dutch Flat-Donner Lake "highway" was opened in June, 1864, according to Dr. George R. Stewart's "Donner Pass", a complete and accurate history of the development of the famous pass.

When the railroad was opened in 1869 (the same year, incidentally, that the Sierra Sun and Truckee Republican was established), the Dutch Flat-Donner Lake road lapsed into a primitive condition and soon became impassable, while the railroad held undisputed sway as a method of transportation.

With the development of the automobile, interest in the road was revived in 1909 and was surveyed by the state engineer and found to be in a deplorable condition.

However, this survey started a series of changes and improvements and in 1920, the Victory Highway was a coast-to-coast route, still primitive but capable of carrying the limited traffic which used it, and designed so that two cars could pass in all but a few places.

Major construction, to fill the demands of the traveling public, was started in 1923 when the present grade was constructed. In 1925, the old Dog Valley road was abandoned after serving its purpose since 1845 and cars traveled the Truckee Canyon route.

Work continued through the 1920's and in the early 1930's the highway was good but twisty. It served well for those not in a rush. The summit was closed during winter months and opened in early spring each year by groups of energetic Truckee and Donner Lake business people, anxious to see vacationists and tourists from the west.

After 1945 travel, particularly trucks, increased and the demand for more and better highways resulted in plans for the four lanes.

The selection of Squaw Valley as a site for the 1960 Winter Olympic Games brought additional emphasis for the need for a freeway and with federal aid up to 90 per cent of the cost supplied, California took advantage of the situation and after four years of work and an expenditure of millions of dollars, the area is now favored with one of the best roads it was possible to build.

While the dedication is set for November 1, there is no doubt it will require additional time to complete the massive project and construction will continue as contractors rush to have the route opened before storms force work stoppage.

Kandace Board Is Wed To Alan Smith

The United Church of Christ at Squaw Valley was the setting, Saturday, October 10, at 2:30 o'clock for the impressive wedding of Kandace Anne Board and Alan Smith, with Rev. Roy Rhoades of Reno officiating at the rites.

A reception was held immediately following the ceremony in the Converse Room of the church edifice.

Kandi, daughter of Mr. and Mrs. Bradley Board of Sugar Bowl, was given in marriage by her father and had selected a floor length bell shaped gown of candlelight white satin and lace, enhanced by a Sabrina neckline, full length sleeves and train.

Her finger tip veil of imported English bridal illusion was supported by a head piece of petal like appearance, also of satin, embroidered with beads and sequins. For something old, the bride wore the traditional blue garter clasped by a gold dollar tie pin worn by her maternal grandfather on his wedding day, more than 50 years ago. She carried a bouquet of white orchids and carnations.

Attendants were the matron of honor, Mrs. Sharon Johnson, bridesmaids, Misses Bunny Board and Carole Smith who wore street length dresses of white brocade with green accessories.

The benedict, son of Mr. and Mrs. Robert E. Smith of Mt. View asked John Williams to act as his best man and Gary Williams and Chuck Taylor were ushers. The three reside at Los Altos.

The bride, a June graduate of Tahoe Truckee High School is well known, having taken an active interest in school and winter sport activities. Smith graduated from the Los Altos high school and attended college prior to his employment at Norden.

The newly wedded couple have established their home at Soda Springs.

CARDS AND GAMES TO BE NURSERY BENEFIT

TAHOE CITY — A Cards-and-Games party will be held at the Hof Brau in Squaw Valley this Saturday, October 17, beginning at 1 p. m. The function is a benefit for the Tahoe Community Nursery School fund. Tickets are $1.00, and dessert will be served.

During dessert there will be a demonstration by Lorraine Ducharme, featuring fall decoration ideas.

Co-chairmen of the event are Mrs. James McCafferty and Mrs. Norman Wilson. Mrs. Richard Reuter is in charge of refreshments. Other committee chairmen are: Mrs. Joseph Marillac and Mrs. Walter Ballenger, gifts and prizes; Mrs. James Barclay, tickets, and Mrs. Robert Sutton, game tallies. For reservations or information call Mrs. Wilson, Mrs. Reuter or Mrs. Sutton.

The Tahoe Community Nursery School is being organized under the auspices of the United Church of Christ in Squaw Valley. The Cards-and-Games party is one of a series of benefits that have been held in the area recently in an effort to raise funds necessary to buy equipment to open the nursery school.

Returns From Europe—

Stina Leufgen returned to Truckee from Hagersten, Sweden, where she spent an enjoyable summer with relatives and friends.

Pace Family Here—

Visitors at the homes of Mr. and Mrs. Tony Pace and the Walter Loynds Sunday were Mr. and Mrs. George Pace of Santa Clara and Mr. and Mrs. George Pace, Jr., of Reno, Nevada.

HEARING DATE SET

CARSON CITY — January 12, 1965, has been set by the Nevada County Supreme Court to hear oral arguments in the case of Thomas Lee Bean, 19, convicted of the murder of Sonja McCaskie in her Reno apartment.

Miss McCaskie was a British Olympic skier and former student at the Tahoe Truckee High School. Leslie Fry, Reno attorney, said he constitutional rights of his client had been violated during his questioning by police.

In Oregon—

Mr. and Mrs. C. A. Tollefson left Hemet and are now living at Oakland, Oregon, in the same area with the families of their sons Rex and Terry.

Glass is one of the most ubiquitous materials of modern technology and men have made it for about 3,500 years.
